

Announcement 8/20/26

Good morning, Bears!

Let's kick things off with what's happening around Bartram Trail Athletics! Volleyball is back on the court tomorrow at 6:00 PM against Middleburg, and for Friday Night Lights, Football takes on Toco Creek at 7:00 PM, while our Cross Country team heads to the Cecil Field Summer Classic. If you've got nothing going on, come out and show our teams some Bear pride!

And there's a pretty good reason to get to those home games: your student ID gets you into all home sporting events for FREE this year! The one exception is Varsity Football, so keep that in mind. No ticket, no problem—just bring your ID and bring the noise!

Now, before we even get to Friday night, we've got something happening Friday morning that you don't want to miss.

We're calling all Bears! Friday morning at 9:00 AM, meet us in the courtyard for the BEAR BREAKDOWN! Come out and meet our Band, Cheer, Dance, and Football teams as we fire things up and officially signal that a home game is on the way. Let's pack the courtyard and get the school ready for game day!

Looking for an easy way to support the athletic boosters while also grabbing some food? Every Friday home game from 5:00 to 11:00 PM through October 30th, stop by Jersey Mike's across the street. A portion of the support goes toward our athletic boosters. Check out BT Athletic Leadership's Instagram for the details.

Need volunteer hours? The BTHS Athletic Boosters are looking for students to help out with apparel. Look for the QR codes posted around campus or visit their Instagram to sign up and get those hours on your log.

For anyone interested in soccer, the Girls Soccer interest meeting is September 16th at 3:00 PM, followed by an open field from 3:30 to 4:30 PM. Just make sure your athletic clearance paperwork is completed before participating.

Class of 2027, this one's for you! Next Monday, August 24th at 8:45 AM, head over to Ms. Hester's room, N218, for the Women of Bartram and Senior Men officer interest meetings.

And finally, VyStar is here all week if you're looking to get started with your own account. Bring \$5, your Social Security number, and either your school ID or driver's license to get set up.

Also Physical IDs are available to pick up in the Dean's Office during lunch today through Friday IF and only IF you were in the SJCSD last year.

This is Croix

And Caleb

And remember, bears don't follow the trail...

They make it
