

Announcement 8/31/26

Good morning, Bears, and happy Monday!

It's Caleb,

And Croix!

Here's our sports recap!

Golf came in **2nd!** Shout out to Junior Max Wilkerson, who placed 5th, shooting a 37. Junior Grayson Hamilton followed right behind in 6th, shooting a 38, and Senior Ethan Hildreth shot a 40!

Now let's talk football! The Bears took down Middleburg this past Friday, **23-12!** That's another W for Bear Nation, and the Bears are looking to keep that momentum going!

And speaking of football, we've got another **home game this Friday, September 4th, against Bishop Kenny!** The theme is **Military Appreciation**, so wear your best USA gear and come out ready to support the Bears! Bring the energy, bring the red, white, and blue, and maybe leave the bald eagle at home.

Now let's take a look at the week ahead!

Tuesday: Girls Golf takes on Beachside at St. John's at 7:00, Boys Golf takes on Pedro Menendez at a time and location to be announced, Girls Volleyball travels to Wolfson for a 7:00 game, and Swim & Dive takes on Clay at 5:30!

That's a busy Tuesday. If you're looking for us, we'll probably need a map.

Thursday: Girls Volleyball takes on Mandarin at 7:00, and Swim & Dive takes on Toco at Silverleaf at 5:00!

And if you're still looking for a way to earn some volunteer hours, **Athletic Boosters are still looking for students to help with apparel.** Check out the QR codes on flyers around campus or visit their Instagram to sign up and get those hours!

BTHS is starting a brand-new Model UN club! If you like foreign policy, politics, history, and research, this is the club for you! Meetings are Wednesday at 8:45 in Mrs. Braun's room, Room 625. **No experience needed!** So if you've ever wanted to debate world leaders without actually having to run a country, this is your chance.

Calling all future podcasters, storytellers, and behind-the-scenes creators! The Media Center is starting a **brand-new student-run podcast club!** Want to be on the mic? Interview students and teachers? Talk about books, music, school life, sports, or what's happening? Or maybe you'd rather be behind the scenes recording, editing, and producing? **No experience necessary—just bring your ideas!** Stop by the table at Club Fair and sign up to learn more.

Whether you're a beginner or a chess master, come join Chess Club! Play games, learn new strategies, challenge your friends, and have fun. Stop by the Chess Club table at Club Fair to sign up and learn more!

And finally, **love to read and compete? Join Battle of the Books Club!** Read the featured FTR books, test your knowledge, and compete in a county-wide trivia-style "battle" against other schools. Stop by the Battle of the Books table at Club Fair to sign up and learn more.

Just remember: reading the book is probably a better strategy than guessing.

This is Croix,

And Caleb,

And remember, Bears, don't follow the trail—

They make it. 🐻
