

# Announcement 9/14/26

Good morning, Bears, and happy Monday!

We hope everyone had a great weekend! Let's kick off the week with a look at what's happening around campus and, of course, Bear Sports!

Starting with sports, we've got a busy week ahead. Girls Volleyball is home tonight at 6:30, taking on Beachside, and Girls Golf takes on Fleming at JCP at 4:00.

Tomorrow, Girls Volleyball travels to Fleming Island for a 7:00 game, while Swim & Dive takes on Beachside at 5:30.

On Wednesday, Girls Golf takes on Buchholz at Hawkstone in Gainesville at 3:00, and Boys Golf competes in the St. John's County Championships at Slammer & Squire at 11:00.

Thursday is another busy one, with Girls Volleyball traveling to Toco Creek at 7:00. Both Boys and Girls Golf will also be competing at Cimarrone at 4:30.

And Friday, Bear Football heads to Creekside for a 7:00 kickoff—and Bears, it's time to **BLUE OUT!**

That's right! Break out your best blue gear, bring the energy, and make sure Creekside sees Bear Nation coming from a mile away! We need everyone showing up, getting loud, and representing our Bears as we turn the stands BLUE! Let's pack the student section and show Creekside exactly what Bear Nation is all about!

We also have the Varsity Volleyball Tournament happening Friday and Saturday, so make sure you come out and support our Bears!

And speaking of volleyball, Athletic Leadership has something BIG coming up!

If anyone is interested in taking on the faculty in our **Third Annual Student vs. Teacher Volleyball Game**, now is your chance! The game will take place on **September 23rd during B Lunch**, and if you want to play, make sure you sign up using the QR codes posted around school or through the Athletic Leadership Instagram. Students versus teachers and bragging rights are on the line, so don't miss your chance to represent the student body!

Moving on to what's happening around campus—

Tomorrow, Tuesday, September 15th, Girls Weightlifting will hold an interest meeting at 8:45 AM in the 9th Grade Cafeteria. If you're interested, stop by and check it out!

Also tomorrow morning, the PTO needs help hanging banners on the fence from **7:00 to 9:00 AM**. Service hours will be awarded, so if you're looking to earn some hours while helping out around campus, meet by the fence near the football entrance!

Also Tuesday, Mu Alpha Theta is hosting an interest meeting in Room 315, Dr. Jess's room. They'll have free SAT and ACT math tutoring, opportunities to learn math beyond the classroom, and a chance to participate in the FAMAT Math Competition. Everyone is welcome!

Are you planning a career in a medical-related field?

Medical Club will hold an interest meeting this Thursday at 8:45 AM in the Small Cafeteria. Please remember to bring your permission forms. Additional copies are available outside of Room N144. See you there!

Then on Wednesday, September 16th, Girls Soccer will hold an interest meeting at 3:00 PM, followed by open-field conditioning from 3:30 to 4:30 PM.

And if you're a freshman looking to get involved and represent your class, candidate packets for Freshman Class Officer positions are available in the Media Center. Stop by, grab a packet, and get ready to make your mark on the freshman class!

That's all for today, Bears. Have a great Monday, support our teams this week, and let's start the week strong!

This is Croix,

And Caleb.

And remember, Bears don't follow the trail...

They make it! 🐻
